

Introducing ...

**MicroSurvey releases the first major upgrade to MapScenes.** Our new MapScenes Pro version adds several man years of programming improvements to make processing your scenes much easier and with spectacular results.

For only \$299 US you can upgrade your version. **Here are a dozen reasons to go for the upgrade...**

1. **Active Drawing Technology** enables completely visual, fast verification and processing of data in the drawing, and in the point and measurement databases
2. Total station and data collector support has improved – new automatic **Vertical Scene Mapping** when using the **Evidence Recorder Pro** version
3. Significant **Text improvements** – Multi-line text, and DTEXT (draw multi-line text right on the drawing as you type) – **Cut and Paste from Word** directly into our Multi-line editor to place complete reports!
4. **Drawing Order and Solid Fills** – easily fill objects, and change the order they appear on the screen and printed output
5. File compatibility has increased – full **AutoCAD R9 → 2002 DWG & DXF** file support (read & write!)
6. With over **7,000 2D and 3D symbols**, and use the new **Dynamic Snap** to set them perfectly in place!
7. Completely new **Symbol Librarian** – easy to use, and add new symbols automatically
8. Powerful, yet easy to use, **Time and Speed based Animation in 2D and 3D** – show accidents like never before!
9. **Improved Baseline / Offset** entry and editing – easy to edit entries and reprocess your data – use it with our **Street Intersection Wizard** to build multi-street intersections
10. **Vehicle Database Integration** with vehicles from 1971 to 2003
11. **Point Data History** proves the integrity of your data, as it records changes to points
12. **New Simpler Screen Layout** – but with MapScenes you always have the ability to completely re-design the layout to suit your style!

The program has many other improvements to make scene creation *easier and faster* than ever before. Call **1-800-668-3312** to order your upgrade today! If you would prefer, fill out the included order form and fax it to our office, or go to the web and order at <http://www.mapscenes.com/upgrade>.

**“It’s a great upgrade – I guarantee it – try it for 30 days and if you are not impressed, return it with no questions asked!”**
